

Requests to Void Variable Election Participation

The Department of Employee Trust Funds (ETF) has determined that an *Election to Participate in the Variable Trust Fund*, ET-2356, received at ETF prior to January 1, 2001 may be voided if ETF receives a *Request to Void Pre-1/1/2001 Election to Participate in the Variable Trust Fund*, ET-2357, by 4:30 p.m. on Tuesday, January 2, 2001. This request to void is not considered a "cancellation," and therefore will not prohibit you from electing to participate in the Variable Trust Fund at some future date if the laws at that time allow such an election.

You can get a copy of the *Request to Void Pre-1/1/2001 Election to Participate in the Variable Trust Fund* (ET-2357) form from your employer or by downloading the form from our Internet site at <http://badger.state.wi.us/agencies/etf>.
